

SSH Authorization Form

Overview:

In order to receive jailed SSH access on a HostDime.com, Inc. web server, we require to have a copy of your identification on file.

This may be in the form of a driver's license, passport or state issued ID.

By signing this form, you agree that you are responsible for any server issues caused by your actions. We may revoke SSH access at any time. When you are done filing out this form, please do one of the following:

1. Print, sign, scan and attach to a ticket created in our Help Desk.
2. Fill and electronically sign on your computer, attaching a copy of your identification via image.

The request will not be granted unless all required information is provide.
